

Kansas City Ice Bowl XXI Entry Form

Rosedale Park • January 27, 2008*

1st Round: Please form your group and start play (one 18-hole round on the top course) no later than 10:30 a.m.

Communal Lunch and CTP*** Contest: Noon to 2 p.m.**

2nd Round (nine holes): about 2:15 p.m.

*Ice Bowl XXI is a charitable fundraiser for the **Bishop Sullivan Center** and the **FLHW Foundation**. Last year we raised \$3000. Our goal this year is not less than \$3300.*

**An Ice Bowl cannot be postponed because of the weather, and there are no excuses for not attending!*

***Please bring food to share: chili (you're automatically entered in the chili contest and could win the grand prize) veggies, side dishes, desserts, chips, etc. The KCFDC will provide beverages, plates, bowls, utensils, etc. Please note that electricity is limited at the Rosedale shelter and therefore, it would be prudent to bring a camp stove for your chili.*

****Please bring prizes (they don't have to be disc golf related) to donate to the CTP contest. Top prize so far: **Innova Traveler DISCatcher** (retails for \$125).*

For more information, Rick at 816.471.3472 or rick@discgolfworld.com.

ABOUT OUR CHARITIES: The **Bishop Sullivan Center** (bishopsullivan.org) is the largest single site provider of emergency assistance in the Kansas City area. Its mission is to provide basic necessities to people who are unable to do so and to move those who are able to become self-sufficient. The **FLHW Foundation** (flhw.org) was created by KCFDC member Dave Emerson after he discovered he had metastatic prostate cancer as a means to accelerate research to identify a cure. The mission of this foundation is to win the battle against advanced prostate cancer by leveraging the resources, including financial, emotional and intellectual, within our families, friends, neighbors, and communities.
